

JAARVERSLAG 2013 ANNUAL REPORT

Hoërskool Sasolburg se naam sal waarskynlik vir 2013 deur die nasionale publiek onthou word weens die ongelukkige skietvoorval wat op 20 September 2013 op die skoolgrond plaasgevind het en 'n onderwyser gewond is. Dit is jammer dat dit plaasgevind het in 'n jaar wat op alle ander terreine as een van die suksesvolste in die skool se geskiedenis gereken kan word. Ondanks die negatiewe wat met die insident gepaard gaan, is daar groot dankbaarheid en 'n nederige erkentlikheid dat die Hand van die Skepper ook hier, soos in alle ander aksies van die skool, vol oop was met Sy genade.

Apart from acknowledging the mercy of our Creator in all the positives and negatives we have experienced, we are so proud of the achievements of our staff and learners in 2013. Not only did most of the role players in the multiple activities eventually reach their goals successfully, but they also experienced personal growth and gained experience in managing pressure, in processing disappointment and to celebrate victory appropriately when it came their way. As always, all the endeavours were focused on positive and educational intervention in the lives of children who are in a critical phase of their development.

Daar moet by die hoorder van hierdie jaarverslag geen twyfel wees dat die suksesse van die jaar nie maklik gekom het nie. Die personeel, leerlinge, Beheerliggaam en ondersteunende ouers het hard gewerk om realistiese doelwitte daar te stel en dit te bereik. Onderwysers moes bo en behalwe afrigting ook opleiding ondergaan in die nuwe akademiese kurrikulum wat volgende jaar vir alle grade sal geld. Ons is voorbereid om ook hierdie uitdaging op die tipiese Sasol Hoër manier die hoof te bied!

Unfortunately Sasolburg High will have to say goodbye to Trevor Hartmann, the chairperson of the School Governing Body and the Parents' Association, at the end of the year. We can only be grateful to have had a man of his stature and character at the helm of the school for quite a number of years. Be assured that in all his involvements, the well-being of the school and its stakeholders has always been his first priority. Although it will be difficult, those of us who remain behind will work hard to maintain his legacy and to continue in the spirit with which he was leading.

Met die oog op 2014 is die personeel en VRL van die skool onder die leiding van die Beheerliggaam besig om bestaande stelsels en praktyke krities te her-evalueer. Ons vertrou dat die uitkoms hiervan op die langer termyn tot nog groter verryking van almal betrokke sal lei.
